ISCCC (Inner South Canberra Community Council)

The ISCCC is a non-government organization formed in 2010 to provide a unified and strong voice for residents of Inner South Canberra. The YRA is an active ISCCC participant and automatically has two committee positions. The ISCCC looks at issues that are shared across boundaries and runs a series of public forums throughout the year, which we encourage residents to attend. www.isccc.org.au

The YRA

The YRA is managed by a committee of volunteers. The committee is elected annually at the AGM. Members pay an annual fee, which helps to support the administration of the association, fund community events and implement community projects.

Decorate Yarralumla with Big Red Bows

YRA will again be decorating Yarralumla's street trees with red bows for Christmas. We encourage all residents to tie a big red bow around the tree in front of their apartment or house and make it even bigger and brighter than last year.

If you have a bow from last year use it again. If you don't have one, or would like more, you can make your own or we'll have bows for sale from the YRA stall at the Shops from 8.30am-2.00pm on Saturday 21 November or from 7.00pm at the AGM. The [Big Red Bows](#) news article on our website's home page has detailed instructions on how to make your own bows including where to buy fabric.

Dudley Street update

Construction has now started on the new access road to the Brickworks and an upgrade to Dudley Street.

Read the latest update under [Planning and Development](#) > [Current Issues](#) > [Dudley Street](#) on our website www.yarralumlaresidents.org.au

Forestry Place (former CSIRO site)

The YRA is continuing discussions about the potential development of the CSIRO site on Banks Street, now known as Forestry Place. One of the options currently under consideration is a mixture of residential development plus a boutique hotel plus an aged care facility. An alternative option is a large school or other educational establishment.

YRA has expressed a number of initial concerns including the scale of the potential development, building heights and the impact on traffic and parking. A decision by the owner on the future of the site is expected before Christmas.

For more information see www.forestryplace.com.au.

Lake Burley Griffin Clean Up

Saturday 15 November 8.00am-Noon

YRA is again participating in the annual clean-up of the Lake Burley Griffin shoreline around Weston Park. If you can help, if only for an hour or two it would be much appreciated. Meet at the YRA marquee opposite the Yarralumla Play Station. For more information contact: info@yarralumlaresidents.org.au.

YRA tree maintenance group

The YRA tree group has been hard at work on the ridge in Denman Street near the Uniting Church.

The group will be working on the ridge from 9.00am every Tuesday until mid December. They are working with ACT Parks fire management people to reduce the risk to Yarralumla before this summer.

Volunteers are always welcome to join the group. Contact Peter at Trees@yarralumlaresidents.org.au

Floriade reimaged

Now that Floriade:Reimagined has finished we will lift the bulbs and store them for next year. Subject to any necessary ACT Government approvals, we will plant more flowers in the garden beds and maintain them as an annual feature.

Yarralumla does Xmas is cancelled

Unfortunately due to COVID-19 we are not able to have our traditional Yarralumla Does Christmas this year. We know this will be a big disappointment to many children and adults alike. However, think about organising your own COVID-safe local get-together or street party. It's a great way to connect with your neighbours - old and new.

Canberra Times Marathon Festival

The festival has now been cancelled for this year due to COVID-19 restrictions on large gatherings. Many thanks to those who volunteered to help. Save the date April 10-11 which is the expected date for next year's festival.
